August 23, 2020 EMERGENCY ORDER #6
14 Day Shelter in Place, Masks, And Social Distancing Order

In response to a confirmed case of COVID-19 in the City of Aniak, in compliance with the recommendations of the Yukon Kuskokwim Health Corporation, and under authority of the City of Aniak Emergency Response Ordinance 8.40.070 (G)(7), the Mayor of Aniak and the Aniak City Council execute this order as part of the City’s effort to prevent the spread of COVID-19.

The Mayor of Aniak orders everyone in Aniak to remain in place in your homes for 14 days with your family and avoid contact with anyone who does not live in your home. You may conduct subsistence activities only with the members who live in your home and whom you are sheltering in place with.

All individuals shall cease participation in public or private gatherings that include non-household members. If leaving the household is necessary to perform essential tasks or services, masks are to be worn in all public settings and six feet of distance must be maintained between individuals not in the same household.

Only essential services businesses shall remain open and employers will take steps to enable their employees to work from home, and where that is not possible, to minimize all public contact with masks and social distancing requirements.

This order remains in effect until September 6th, 2020.
